For the week of **May 7, 2017**

*Apply today's message throughout the week by utilizing this Growth Guide individually, with your family, or in your group.*

Full message available at [highpoint.church/currentseries](http://highpoint.church/currentseries)

**GOAL:** We want to be able to discern God's call when it comes and obey the Lord's leading.

### GET GOING:

1. What are you passionate about? Have you ever had a "calling" in life? Have you ever felt God calling you to do something?

2. This weekend, Pastor Ron shared several aspects of God's calling. Which of these stand out to you and why?

3. When you sense a "calling" in your life, how do you typically determine if it's coming from God or not?

### BONUS THOUGHT:

God's calling on individual lives is intentional and specific. As an infinite God, He has a calling for each of the billions of people on this planet.

### KEEP GROWING

4. Read Romans 1:1-7. As Paul opens his letter to the church in Rome, he describes his calling.

- Notice that it's not just Paul who is "called" in this passage. Who else is called?

- Which aspects of God's call from the weekend message do you see in this passage?

- What do you think it means to be "called to belong to Jesus Christ" (verse 6)?

5. This weekend, Pastor Ron shared several "somethings" God may be calling you to, as God's call is specific. What specific thing(s) do you feel God might be calling you to right now?

### BONUS CHALLENGE:

#### Follow the Calling

Is there something you have been sensing God is calling you to do, but you've been ignoring the call? Spend some time in prayer this week talking with God about your calling. Seek His direction on it. Take a step of faith this week and take action in the ways God is leading you.
