

Here. There. Everywhere Get the Word Out!

Full message available at highpoint.church/currentseries

GOAL: To understand the importance of getting the Word out about who Jesus is and what He has done in my life.

GET GOING:

1. Since Jesus, the gospel has gone forth as a verbal transaction, person-to-person, to reach you. Who told you about Jesus?

2. Review the 7 Personal Convictions for Getting the Word Out (see below). With which of these do you do well? With which of these do you struggle? How can you work on that area as you've been entrusted with the gospel message? Get the word out with...

- Confidence
- Clarity
- Urgency
- Faithfulness
- Boldness
- Prayer
- Integrity

3. As we aim to get the word out with faithfulness, it's helpful to be aware of some distorted gospels the world believes. Which are prevalent in your circle of influence? With which have you ever struggled? Can you think of any other distorted gospels? What would you say to someone who is buying into a distorted gospel?

- The Whatever Gospel
- The Works Gospel
- The Wealth Gospel
- The Wholesome Gospel
- The Welfare Gospel

4. In the Bible, physical healing is a picture of what other kind of healing? How do you see that played out in this passage?

KEEP GROWING:

5. Read Mark 5:1-20. In this passage, Jesus heals a man possessed by a demon. What “personal convictions to get the Word out” do you see Jesus exhibit as He ministers to this man? Again, if physical healing is a picture of spiritual healing, what is Jesus communicating when He physically heals people?

6. Turn back to Acts 3. The lame man in this passage was lame “from birth.” Countless people walked by him everyday. What’s your gut reaction when you walk or drive by someone who is marginalized or in need? How can you be more in tune with the Spirit in those moments?

7. What 3 terms for “observing” do you see in Acts 3:1-5? Why do you think this repetition is significant?

8. Read Acts 4:19 again. When it comes to getting the Word out, are you more concerned of what man thinks or what God thinks? Practically speaking, how can you let go of your concern for other people’s opinions?

Bonus Challenge: Take the 7 Day Salt and Light Challenge.

- 1.** Pray each day for someone to share with, encourage, or pray for.
- 2.** Be ready to respond when the opportunity presents itself in the way that God leads.
- 3.** Ask the Holy Spirit to guide you in the moment.
- 4.** Follow-up with the person in a reasonable time period helping them to take a next step.
- 5.** Tell a Christian friend about your experience for mutual support and prayer.

Memory Verse: *“And there is salvation in no one else, for there is no other name under heaven given among men by which we must be saved” (Acts 4:12).*
