

We are ...

a community of students – More than a program, we are a ministry where each student is seen, known, & loved by youth leaders & other students. We have fun, build memories, & care for each other.

a ministry of students – More than a ministry *to* students, we encourage & empower students to lead, not just be led. We believe in the God-given potential of this young generation.

a space for students to encounter Jesus - Wherever a student is on their spiritual journey, we help them take a next step in believing in, belonging to, & becoming like Jesus. We are committed to discipleship in large groups, small groups, & camp settings.

Parenting Teens Group

2nd & 4th Sundays | 6:00-8:00 pm

Experience community with other parents of teens who are navigating the joys and challenges of raising teens in this culture.

Our study this year is *“The 5 Love Languages of Teenagers.”* In this study, Dr. Gary Chapman explores the world in which teenagers live, explains their developmental changes, and gives tools to help parents identify and appropriately communicate in their teen’s love language.

This study also explores other key topics like anger, independence, boundaries, consequences, support, and more.

Get ready to discover how the principles of the five love languages can really work in the life of your teenage and family.

Parenting Teens Group meets at Highpoint-Naperville during Highpoint Students starting on Sunday, September 8 and is open to parents from all campuses. We hope you will join us!
